

JOHNSON COUNTY OB/GYN, CHRTD.
OBSTETRICS · GYNECOLOGY · INFERTILITY

July 7, 2017

Dear Patients,

It has been my extreme pleasure to have served you for the last 40 years as an Obstetrician/Gynecologist. I have had the opportunity of caring for a wonderful group of patients and we have shared many joyous moments and a few heartaches along the way. I have delivered over 5,000 babies and performed many surgeries over the years. I have appreciated the trust and confidence each and every patient has given to me.

I have decided it is time to retire from the practice of medicine. My last day will be August 18th, 2017. I am in excellent health and have a long list of 'places to go and things to do.'

I have been extremely fortunate to have been able to practice in a profession and specialty that I love. I have accepted that while my role as a physician is very important, it's now time to shift my focus to my other important roles as husband, father and grandfather. After 47 years of marriage, Cheri tells me it's time for the two of us to 'relax and enjoy' and this is exactly what we plan to do!

I would also like to introduce our new colleague here at Johnson County OB/GYN. Dr. Megan L. Brown will start seeing patients on August 1st and I would highly encourage you to consider seeing her for your continued medical needs. All of your medical records are safely on file here and available for the continuation of your care.

Thank you, again, for your loyalty and for the opportunity to have served you. My patients were truly my family away from home, and I have many great memories of you that will last a lifetime.

Sincerely,

Cranston J. Cederlind, M.D., F.A.C.O.G
