To the patients of Dr. Meghan Vaglio,

As we previously informed you, Dr. Meghan Vaglio is no longer employed with our clinic. A previous communication was sent to you to inform you of how to continue your care here at Johnson County OB/GYN.

However, because we believe the choice of healthcare providers should be left to the patient, the purpose of this letter is to clarify that Dr. Vaglio is actively practicing medicine at the University of Kansas Health System OB/GYN Olathe. If you would like to continue care with Dr. Vaglio, you can call 913.588.1227 to make an appointment. If you prefer to continue care at Johnson County OB/GYN, you need not take additional action at this time.

Sincerely,

Drs. Lynch, Cooper, Proffer, Piszczek and Williams
