March 1, 2024

Effective March 31, 2024, Dr. Meghan Vaglio will no longer be in private practice at Johnson County OBGYN. She has accepted a staff position at a teaching hospital and will no longer have privileges at Advent Health Shawnee Mission.

Currently pregnant patients can seamlessly transition their primary OB care to one of our 5 other physicians, continue to be seen as normal and deliver at Advent Health Shawnee Mission. Please note that should a transfer of care to Dr. Vaglio's new facility be desired, delivery at Advent Health Shawnee Mission will not be possible.

All other GYN patients can select any one of our physicians or nurse practitioners to continue your care. Dr. Jaclyn Piszczek and Dr. Jessica Williams are building their practices and are available on a timely basis.

We look forward to continuing to serve your OBGYN healthcare needs with care and excellence.

Sincerely,

Christopher Lynch, MD, Corinna Cooper, MD, Abigail Proffer, MD
